Barbara Streibert Environmental Education

Educational Grant Application

Barbara Streibert Environmental Education Grants are available annually to all teachers in the Monomoy Regional School District, the Nauset Regional School District, the Cape Cod Lighthouse Charter School, and the Sturgis Charter Public School. FCW allocates \$4000 each year for education grants which focus on local waterways: wetlands, fresh and salt water marshes and seashores. A Barbara Streibert Environmental Education Grant project could fund classroom instruction, fieldwork, research, professional development, or any combination of these activities. Grant money may be applied toward teaching materials, supplies and equipment, transportation, stipends, and any other expenses related to the proposed project.

Applicant Name: _____

Applicant contact information: (phone or email): _____

School: _____

School Address: _____

Grade level (s): _____

Please outline your proposal for a grant:

1. Describe your proposed project; how it would focus on Cape Cod's waterways, wetlands, fresh and salt water marshes or seashores; and how you would use this grant. Provide as much detail as necessary to assure that the Education Committee understands your project.

2. Outline your project's budget, and timeframe. State the total amount you are requesting.

Principal's Signature: _____

Teacher's Signature: _____

Deadlines: Submit applications for the fall by September 15. For spring, submit applications by March 15.

Please send applications or questions to FCW Education Committee members Ian Hoffman-Terry (by email) ihoffmanterry@gmail.com or (by mail) to Betsy Mosser, 274 Cedar Street Chatham, MA 02633.
